Family life

dagarcab

Let the daughter be the daughter
- the father ever after
leave the Mother's motor running while the father's

Oh my family life Oh my family life
Who ate off all the crust Jesus show a little just

~~Let the B.A. come and the kids are outside playing~~
The kids are outside playing which is solid ground for prayer

Oh my - family life (repeat)

Don't give me no hard bound books no no
with footnotes by some expert in his office bendleaver

Don't give me no Welfare clerks no no
with their money and their lines and their vents anytime

Don't give me no beam free
From ~~being~~ sitting being smitten by a family tree
Just giving all the pieces and were bound to make a family

Bring the old folks and the neighbors back from where they have been
~~with down to the car~~

We will be there for each other through our sorrows & hon
We will live for more than using tools and getting rich
like lowly fools

Oh My - family life (repeat)

We're all in circles on our own bump into 5 frangars
Justify all the wreckage

Put the chaff in institutions, drop the kids off with
Stressed and look for solutions

Oh My - family life (repeat)
