

GM7

If you know and want to say

The things that kept do you today

on care for shore and by the way

Then tell me now ~~you got to stay~~ Sit down + stay Em

But

If you know head the outdoors saying

and it told what is happening

and me the message you can bring

Then show me now this around thing

~~Let's go to the beach together
If you're sick together
We can work on weather~~

Sit down
of you want to stay
H7
we can be together
on this lovely day

GM7
If the wind could write it down

Everyone would come from town

we'd share with them there we have found
in the passing pressing sound
