I Just Got Back from Monterey 161

I just ^G got back from Monterey ^{Bur}
Been driving ^G down the highway ^C ^F
and I want to share with you the things ^D ^G I saw
saw electric lights forever
and engines coming my way
Endless monuments along the road.

^{Cm} Power plants and industries ^B ^A ^{Ab}
Hard hats ^G ^{AB} ^{Em} ^D ^G hanging on a tree
and ~~staring~~ ^{Em} amidst it all
and running his hand through his hair ^G
^{Bm} I saw a man with a ^G bandana
said put the windmill there, ^G

I just got back from Monterey
Took the route through San Jose
a lot of it should be against the law
Drove past the airport
Through a place called Burlingame
It continues on + on + on + on

and on and on + on + on + on
" on + on
