

Lil O Sis ①

Out of the Mud grows the Lotus
~~Down~~ she ~~glott~~ walks Lil O Sis
projects

Lil O Sis got a walk 'a' shows he ~~doesn't~~ wonder what to do
O Sis got a walk for the ghetto or the Avenues
that'll blow you away

There he goes

~~Confident~~ ~~Lil O Sis~~ a skill in one of the trades
~~Strong~~ ~~Lil O Sis~~ plays with ^{most} kids at night
Lil O Sis out walkin' by the Quarter Circle
Picks up a bottle puts it in the trash
~~He gets a kick in the ass of the police~~
~~is help but~~ There he goes.

~~is kind~~
~~he sees & hears~~

Lil O Sis can be seen as a bunch of habits
short black or poor

Lil O Sis can be seen in his attitudes

~~he~~ ~~walks~~ ~~out~~ on a Sunday out the front door
There's one instant there's the first Lil O Sis greet
each other with respect. He eats he ~~sleeps~~ he ~~sands~~
he talks. He sits he ~~breathes~~ + O Sis walks

He walks down the pavement he walks by the stores
He waves to the kids / Waves to the phores

and every step he leaves behind things of the people that were on his mind
~~inspiration~~ to US all people smile when O Sis walks
shows as the way

we forget ourselves when he walks and say

Lil O Sis ~~is~~ ~~the~~ ~~way~~ ~~he~~ ~~says~~ ~~the~~ ~~way~~
O Sis grins and walks on by Lil O Sis

Politics people environment Forth
War disease and loneliness

I can I can
Yes?

I want to clean all the
glass out of all the sand
from all the beaches

on every
continent

~~I want that lovely silicone~~
~~so smooth between our toes~~
So that all may play
and no one need fear
for every ~~single~~ foot is dear

at 1st Yeh Yeh - put a line under
" " - sing some words
" " - next

and here's an interesting conclusion

O I's gotta walk shows he didn't
wonder what to do

O I's what to say

O I's gotta walk in the gutter or the avenues

O I's gotta walk that blow you away

there ~~he~~ he goes

Confident

Friendly

Strong

~~Not aggressive~~

Out of the mud ~~grows~~ the lotus
~~and from your dirt~~ here's comes you
Out of the streets comes little O's

To do all that is good
and none that is bad
This is the Vow that Buddhas had
To live each moment as if we died
IS to live with Jesus Christ
Gonna tell you a story

I think it was the streets
But it might have been a farm
Walked like a - like Li O's

To fight the best there was a chant
Don't laugh Everybody does ~~something~~ something
Here we are in the hall of the great
Oh eminent Scientists, Philosophers,
Religious ~~leaders~~ and Civic leaders
What can you offer us?

Help! Mamma!

Don't fear - Hold on to something
To little O's

We walked like a humble king
Through the streets through the country

Lil Ojis out walking by Quarter Arcade

~~Ojis does a flip~~

Ojis picks up a bottle off the sidewalk

Ojis can't find a trash can near

Ojis keep walking with the bottle

When he gets to a trash can he puts the bottle in it

He's helpful Down down low low sometimes

He's kind Machines that roll are the downy species

He's near Something found Something lost

~~But there's city saints & city plums~~

~~city plumbats & city rats~~

Sometimes someone gets the skewers

TV in the wrong corner

Boke rights, some stewards of life selection by lottery

Maybe we should pray

Dance is prayer

We want to help out

Improve the biosphere

of the Universe

You idiots

Oh don't

Maybe We should Dance Dance is Prayer

~~I'm going up and tell 'em bout~~
~~Little O' Sis~~ Hey its the rap
Little O' Sis said:

~~He can be seen as bunch of habits or poor~~
~~He can be seen as a bunch of habits or poor~~
~~But he can be seen as a bunch of habits or poor~~
But ~~he can be seen~~ walking through the doors

Here's one ~~more~~ instance
Here's the next
Little O' Sis ~~talks~~ ~~and~~ each one with respect
Theres him + others theres things in air
He takes care but he hasnt a car
He eats he sleeps he stands he talks
He sits He breaths
~~and he so~~ and O' Sis Walks

He walks down the pavement
He walks by the stores
He walks by the ~~kids~~ ^{whores}

and every step he leaves behind
Things of the past that were on his mind
Hes an inspiration to us all
People smile when O' Sis Walks
~~and every step is a golden deed~~
~~Even though he crushes whats underneath~~
Every step shows us the way
We forget about where when he walks in
Hi O' Sis and tip our hats
He waves goodbye and walks ~~away~~
like that.

Out of the Mud grows the lotus
Out of the projects walked little Otis

How did he do it

From where his strength

He might be short but he's sure got length

His ~~mama~~ ^{mama} gave him love ~~but~~ ^{she} gave him hope
While all around him ~~for~~ ^{for} ~~him~~ ^{him} ~~prime~~ ^{prime} ~~drop~~ ^{drop} ~~boy~~ ^{boy}

Every street seemed to lead to him

Otis looked at his feet and said nothin' loud

Bout that time he found his walk

Like his ~~feet~~ ^{feet} the magical bean stalk

He reached ~~down~~ ^{down} in his heart

and found the key

To drop his chains walk proud & free

He walked by those who hadn't a prayer

" " " " " were in despair

" " " " " ~~that~~ ^{that} said no way

To Lil Otis every day is a good day

He don't need nothing to prove himself

He don't need things he don't need wealth

He's not attracted to foolish talk

Lil Otis has got his walk

and even if he lost his legs

He'd walk like a king through the lost

in the dregs
