

We planned it out ~~and had our minds~~  
We thought that <sup>with carefull</sup> everything was fine  
We'd be laughing sipping wine

Why were we ~~But we were~~ nervous all the time

We ~~had~~ <sup>just</sup> a really super team  
We picked the best and ~~took~~ the cream  
Just any instant from our dream  
Something happened made us scream

Ch. > Murphy's Law (3x)

~~We planned it out for a long time~~  
~~We thought everything was fine~~ clear  
~~But whenever we returned~~

you might have reasons to believe  
That you need one of these  
~~But~~ listen to me please  
For Everything takes heed of

Ch. >

~~Things were well all things were well~~

know quite well they cannot beat

Ch. > It says what they saw was Murphy's Law
