

# Miss Lima Bean!

Home Sweet Home  
We were spiralin in  
We been waitin  
Sittin on a pin  
Ready to die on / eyes on ground  
Although we about keen  
I'll spare you the details  
Miss Lima Bean

Miss Human bean, Miss Sufferin' bean  
A "sentient" Lima!  
Miss Lima Bean

First met her in the grocery store  
She was fresh as she could be  
Young 'n green  
Came home with me  
Cool 'n wet 'n eager for  
What she'd never seen  
How tasty and how sad to love  
Miss Lima Bean!

(Ch.)

In the pale moonlight  
This irony returns  
In sweet tragedies  
But no one ever learns,  
Let life's slippery moments pass  
& never shall be weaned  
I'll think of you always  
Miss Lima Bean!
