

When you came and told me what you say
 what you say you saw me do today
 you hook me ~~shep~~ you hold me
 I was dumbstruck ~~at~~ what on Earth to say
 Oh ~~to~~ ^{Am} day was a difficult day ~~EB9~~
 Call I did was mumble ^{C9}
 Dear I think we need a drastic change ^{Gm}

We put on our disguises
 Picked up ~~the ball~~ with ~~parade~~ an accent slightly off the wall
 All the world despises ^{Gm}
 Rolled up into a little ball ^{EB9}
 Oh the gull ~~we~~ ^{Am} ~~dropped~~ ^{EB9} well on our way
But you dropped the ball and said hon
 Dear I think we need a drastic change ^{Gm}

" " "

Some folks uses psycho - breaks
 Some folks plot out ~~not~~ mistakes
 Poor bloke waits for big earth quakes
 On the radio ~~sub~~ number ^{EB9}

But the time we've cleaned up
 Spid in spotless got behind the ears
 Cracked up our machine ^{Gm}
 Kind to neighbors - satisfied ~~with~~ clear ^{Am}
 Plop the skillet down on the range ^{EB9}
 We thin so complacent - dear I think we need a drastic change ^{Gm}

Some folks gets the fatigue + shakes
 Some folks choke on dry corn flakes
 Old tubes like to sit and wait
 But there get outside + rake ^{Am}

Devils outside waitin - another one is loungin in the den
 angels disappointin - look at them they're back into the gun ^{Gm}
 Then our friend gets a slab eating grimace ^{EB9}
 Starts messin with his goof box ^{Am}
 Dear we've got another drastic change ^{Gm}
