

C A C A
Now a priest he is bound to be sober
And shun not so form ~~no~~ no refrain
Not avoid nor pretend on the last word
and after they ~~take~~ a new name

Now the tree has got its Down body
The Sump has got the snare
Look at the rose oh there she goes
This got a ~~rotations~~ of ~~form~~
~~the lovely~~ name

Life may be hard and frightful
With ~~all of the~~ sessions of woe & pain
But ~~the~~ far greater terrors exist
In the failing of the name
yet Days are so gorgeous we tremble
and nights bring a promise of grace
with the people around we can ~~then~~
often be found
You can tell by the fire on our face

There were bullets for another Politician today
 and there's fantasies running in the streets
 There's forces big + small that could soon
~~destroy us all~~
 Big Trouble is spreading like disease

It's nothing new - mass death ~~mass~~ madness
 what is it but a ~~bulge~~ ^{or mass suffering} of all we see
~~It's~~ ~~It's~~ ~~somewhat~~ ~~cause~~ ~~of the small~~ ~~also for the sake~~
 Big Trouble for all that lives in breathes

Like a monster that finally lurks outside ~~house~~
 Destroying all the threats of history
 The strong may soon be vaporized and ~~the weak swim~~ ^{in the sea}
 Big Trouble for the tyrant of the beasts

a retired insurance agent joined the church
Went to a meeting the other night with a friend
Havent I see that in a long time
~~an older lady with classy lady let us in~~
~~the for older classy lady let us in~~
~~she said I'll take you a good time~~
We ~~introduced~~ briefly talked with her

2
E F/C
She walked into the circle
Let Walk into the N. 100
They in 1/4th
The circle and there were people who
were very different
But they stood in the circle
together here is something we can do
stand in the circle make it bigger

5
of ~~North~~ Americans were arguing with
" " when we were taken
about the War

People got all sorts of ideas (last)
Some want freedom of movement
Some want to be " Speech
Some want to eat

Only ruling elites ideas OK
Wasn't OK sex laws
" We can't let DC ~~do this~~ have this
law because that would mean
we were condoning ~~it~~
all sorts of sex acts
So ALL you're going to let me
do legally is that which you
condone - you the ruling elite,
you're gone too far
and its obvious you'd keep on going
and outlaw everyone who was different
~~from you~~ Now hold up

Now the old gang was walking down the alley
Walking zactly where they'd gone wrong
The old harmonies didn't ~~drop~~ drop at any more
They were falling apart and looking for a
Now they're gonna get together
They won't have these problems too long
They will be in agreement
and its cause of all the bombs

7

oh now the gypsies walked away from the hippies
when we were talking about the war

But now there are promos + proves adjacent
flyin' around this guitar

Now here is something we can agree on

Now finally ~~we~~ ~~are~~ ~~all~~ ~~in~~ ~~it~~

There are good words

~~You thought that~~

Here is something we can do together

We can save the world

(seems everyone I agree but I fear that
suicidal tendencies, fanatics could lead to death)

We can lookin' for what's wrong

Why all the violence

We don't know We still don't know

But I was ~~last~~ thinking about New York

and I thought ~~these are the things that~~

~~we~~ realized — That's what

we can do together
