

# Dyin in the City

Dyin in the city - it's such a life  
" " " " " " " " " " " "

Down what I can  
But I am just a man  
And I'm dyin'

I tried to make my way beneath your  
Oh how I tried  
I tried to make my way with only thinking  
God I almost died

and no no no it can't be so  
without you

and no no no  
~~that way~~ be that way at all  
I've been that way before  
couldn't even make the door  
I took a fall
